

GRANDMA PUPPET

Explore tense.

Introduce Grandma. Tell the children that Grandma likes to talk! She likes to garden, visit friends, go to the library, walk and brush her dog and she also goes dancing once a week. She also likes to:

- * remember about things she did when she was a little girl (and how it was so different to today)
- * tell you what she has been doing yesterday, last night and what she plans to do tomorrow
- * tell you all the things she plans to do for her 90th birthday party (she has lots of ideas for an action-packed day of adventure!)

Print this page and cut up the cards below. Each child is given a card. They must then take a turn at using the Grandma puppet, beginning a sentence with what is written on their card.
